Entry fees will not be refunded in the event that a dog is absent, disqualified, excused by a judge, barred from competition by action of the Trial Committee, or because the dog is ineligible to compete due to being entered incorrectly. Beginning August 2025, the Salty Dogz Agility Club of Utah will provide a 50% refund of entry fees (not including any online transaction fees) for a sick or injured dog that was examined by a licensed veterinarian after entries close and up to 30 minutes before the start of the trial, provided the owner/handler submits proof of a veterinarian's examination (copy of clinical notes or letter from the veterinarian INCLUDING veterinarian's full name, clinic name, address, and examination date; please note that a receipt of payment to a veterinarian is NOT an acceptable proof of injury or illness). Female dogs that come into season after entries close and up to 30 minutes before the start of the trial, will receive a full refund of their entry fee minus a \$5.00 processing fee per day. Females in season do NOT need a veterinarian's examination.

This club does not agree to arbitrate claims as set forth on the Official AKC entry form for this event.

JUDGING INFORMATION AND CLASSES OFFERED

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Entering For Exhibition Only (FEO)

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment.

FEO is allowed in all classes.

Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show. • Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed. • Dogs may be entered at any level (Novice, Open Excellent or Masters) in FAST, JWW, Standard or Premier classes. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed. • The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge. • Course time for FEO in Time 2 Beat, JWW, Standard, Premier and ISC will be 45 seconds. FAST courses times for each class/height are as noted in the Regulations. Fix and Go On (FNG).

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Only one FNG is allowed per run.

Judging will start:
Friday - 9:00 AM (check-in 8:00 AM)
Saturday/Sunday - 8:00 AM (check-in 7:00 AM)
There will be NO paper copies of maps.
Maps and updated run order will be emailed each morning.

Dogs may arrive any time prior to judging. Dogs that need to be measured must be available for measuring prior to the start of their class. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule. The owner or handler of each dog is solely responsible for having it ready at ringside when it is to be judged. Neither the club nor the Trial Secretary have any obligation or responsibility to provide a service through a public address system, or stewards, or runners, for the purpose of calling or locating dogs that are not brought into the ring when required.

Running Order Conflicts: The trial secretary will make every effort to minimize running order conflicts for a handler running two or more dogs in the same class and height, or in adjacent heights. On the day of a trial, if a handler feels more separation is needed, the club will make every effort to accommodate the request. When more separation is requested, per AKC rule, the judge must be asked to grant the change. The trial chair or gate steward may make the request on the handler's behalf. There are likely very few instances where the request will not be granted. Out of consideration for affected competitors, the scribe and the scorer, the club asks that all running order change requests be made no later than before the start of the briefing for the class in question. Where classes are separated by height we will walk/run-walk/run. Conflicts are noted in FAST & T2B, Standard will be primary.

***FEO (for exhibition only) and FNG (fix and go) options will be offered.

ANTICIPATED RUN ORDER IS SUBJECT TO CHANGE

SDACOU reserves the right to adjust judging assignments and run-order to facilitate a more efficient trial. Judging assignments may be changed in order to balance the number of runs each judge is assigned.

COURSE WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving the dog.

HEIGHT DIVISION

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

Measuring and Height Card Information

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. If a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the Dogs to Be Measured List.

Dogs Eligible to Enter

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes. Dogs should be physically sound. Dogs that are blind shall not be eligible and neither are aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

After the close of entries, a dog, which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler, may be moved to the Novice "B" class. A request must be submitted to the trial secretary at least 30 minutes prior to the start of EACH trial and must state the reason and justification for the move. A dog may be moved down in their class level (i.e., Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial. (Chapter 1 Section 21)

RIBBONS, AWARDS, AND PRIZES

Ribbons will be awarded in each jump height division in each class as follows:

First Place	Blue
Second Place.....	Red
Third Place.....	Yellow
Fourth Place	White
Qualifying Score	Dark Green

A New Title rosette will be awarded to all dog and handler teams finishing a title. A MACH rosette and MACH bar will be awarded to all dog and handler teams that attain their MACH. A PACH rosette and PACH bar will be awarded to all dog and handler teams that attain their PACH. Please let the trial secretary know if you are close to attaining your MACH or PACH when you send in your entry so we can celebrate with you. Double Q pins will be available for dogs Q'ing in both M/E JWW and M/E STD on any given day. An AGCH Rosette will be given to dog and handler teams that earn their AGCH.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. Salty Dogz Agility Club of Utah and its agents, employees, trial secretary, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. Salty Dogz Agility Club of Utah reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against Salty Dogz Agility Club of Utah, Trial Secretary, or any official thereof.

Salty Dogz Agility Club of Utah will not be responsible for the loss of/or damage to any dog entered and exhibited, whether the result of accident or other cause. It is distinctly understood that every dog at this trial is under the care, custody, and control of its owner or handler at all times. Salty Dogz Agility Club of Utah, Club officers, board members, and the Trial Secretary assume no responsibility for any loss, damage, or injury sustained by the exhibitors, their dogs, or property.

All dogs must be on leash at all times or otherwise confined when on trial/show grounds except when in the designated warm-up area or competing on the course. (AKC leash restrictions March 2009, Utah leash law/code 6.16.080). Trial grounds are defined as the entire public interior area of the Davis Agriculture Heritage Center and area immediately surrounding building.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds. Owners may NOT allow their dogs to eliminate in the building. DO NOT allow your dogs to eliminate on the exterior of the building or any object that has to be handled by people (garbage cans, air conditioning units, etc.). These rules also apply to the hotels where exhibitors are staying in conjunction with the trials.

Crating space will be available after the rings are set up. **Setup will start at 7:00 AM, November 28, 2025.** Set up crates in designated area only. "Stalls are available for rent for \$15 (in a separate building)." Reserve stall through the agricultural center at 435.919.1338. Crates may be left overnight but the Salty Dogz Agility Club of Utah and Davis Agriculture Heritage Center will not be responsible for any lost or damaged items left at the show site.

There will be no food vendor at this trial. Water, snacks, and lunch will be provided for workers only.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
